Education

Oriental Institute Of Science and Technology, Bhopal   **2021 - 2025**
B.Tech in Electronics and Communication Engineering   *7.3/10 CGPA*

MK College, Darbhanga   **2018 - 2020**
Higher Schooling   *74 percent*

MKJ High School, Darbhanga   **2017 - 2018**
Secondary Schooling   *60 percent*

Internships

Oasis Infobyte   **April 2023 – may 2023**
Web Development   *Remote*

- Worked on Html, Css and Javascript.
- Developed projects such as Portfolio website, Calculator and To Do List.

Projects

Academic Projects: Heart Beat Monitoring System using Arduino.

- A system is developed for real- time cardiac health, tracking, demonstrating proficiency in embedded systems and technology innovation.
- Components used : Arduino Uno, pcb board, pulse sensor and Battery
- language used: C.

Technical Skills

Electronics: PCB designing, CCNA
Languages: Java, C
Soft Skills: Leadership, Teamwork, Interpersonal Skills
Operating System: Windows
Developer Tools: VS Code, GitHub
Web Technologies: HTML, CSS,Javascript,Bootstrap

Certifications

Coursera: Introduction to IOT and Embedded Systems
Coursera: Introduction to Cloud Computing
Cisco: Introduction to CCNA

Achievements

- Solved **150+** java problems from **Codechef**, building problem solving skills.
- Participated **Circuit Designing** Competition and got **2nd** position.
- Participated in **Essay Writing** Competition and got **2nd** position.
- Attended workhsop **PCB designing** by Robotronix India.

Hobbies

- Travelling
