## EDUCATION

**Oriental Institute Of Science and Technology, Bhopal**                                7.4/10 CGPA
*B.Tech in Electronics and Communication Engineering*                                        *2021 - 2025*

**MK College, Darbhanga**                                                               74 percent
*Higher Schooling*                                                                            *2018-2020*

**MKJ High School, Darbhanga**                                                          60 percent
*Secondary Schooling*                                                                         *2017-2018*

## EXPERIENCE

**Oasis Infobyte**                                                                       April 2023 - May 2023
*Web Development*
- Worked on HTML, CSS and Javascript.
- Developed projects such as Tribute Page, Calculator and To Do List.

## PROJECTS

**Academic Projects** | *Heart Beat Monitoring System using Arduino*                     June 2024 – Present
- Developed a heart rate monitoring System using Arduino, showcasing proficiencyin hardware integration, sensor calibration, and data analysis.
- Engineered a robust heartbeat monitoring system using specific technologies, e.g. C and embedded systems capable of accurately capturing, processing, and displaying heart rate data in real-time.
- Components are used in the project including Arduino uno, pcb board, LCD Display, Connecting wires Pulse sensor and power Sources

**Portfolio Website** | *HTML, CSS, Javascript, React.js*
- Developed a portfolio website to view a curated collection of my projects, showcasing my skills and achievements.
- Languages used: HTML, CSS, Javascript
- Frameworks: React.js
- Tool used: VS Code

## TECHNICAL SKILLS

**Languages**: Java
**Web Technologies**: HTML, CSS, Javascript, React,js, Bootstrap
**Databases**: DBMS, MySQL
**Developer Tools**: Vs Code, Netbeans, Github
**Operating System**: Windows

## CERTIFICATIONS

**Coursera**: Meta-frontend Development
**Infosys SpringBoard**: Java Foundation Certification

## ACHIEVEMENTS

- Participated in **Circuit Designing** Competition and got **1st** Runner up in College Event.
- Participated in **Essay Writing** Competition and got **2nd** Runner up.
- Attended workhsop **PCB designing** by Robotronix India in College.

## HOBBIES

- Travelling.
